OFFICE OF LEGISLATIVE COUNSEL

(Internal Use Only - PLC) LEGISLATION Called Arnold Donahue, OMB, and requested clarification as to what cost estimate figures should be included in the Agency's comments to enrolled bill, H.R. 13615 (CIARDS). I explained that cost estimates to cover the funding proposal are included in the Agency's fiscal year 1978 budget and that the figures range from

for the projected years 1978 to 1982. Donahue said these figures were high and undoubtedly included dynamic factors such as salary and cost-of-living increases. He requested that the figures submitted in the enrolled bill be static and not include any dynamic factors. I subsequently discussed this matter with Mr. Yager, Office of Comptroller, and through the Office of Finance the Treasury Actuary was contacted and static projected figures were prepared. These figures were included in the Agency's comments to the enrolled bill and

✔ 15. (Unclassified - RLB) LEGISLATION Spoke with the
following people regarding the matter of executive level pay schedules
and the so-called Udall amendment to the Legislative Branch
Appropriation Act (H. R. 14238): Hilda Schreiber, OMB, John Martiny,
House Post Office and Civil Service Committee, and Dan Doherty,
Senate Post Office and Civil Service Committee. None of these
persons had additional information indicating further action to
modify the Udall amendment, which apparently cut out of the
Appropriations Act funds to pay executive level officers.
